## Remarks

Note: Remarks are not for responding to an office action.

Applicants note that US Patent Documents citation numbers 11, 15, 16, 18-20, 33, and 39 and US Published Applications citation numbers 1-4 are U.S. patents or applications that are commonly owned with the above-identified patent application and may contain subject matter that is related to the subject matter of the above-identified patent application. The Examiner's attention is therefore directed to the prosecution history of the foregoing related U.S. patent(s) and patent application(s) and prior art cited in these patent(s) and patent application(s);

Applicants assume the Examiner has access to all of the prosecution history, including the cited prior art, of these patents(s) and patent application(s), but Applicants will provide copies of all or any part of the prosecution history of or prior art from any of these patent(s) or patent application(s) upon request.
